TALOR® COLLECTION	3
TEXTURE PANELS	10
COLOR CODES	13

TAI-LOR® è una Nuova Collezione di Pannelli dal design originale, prodotti dall'azienda Promau Engineering, rivolti al settore dell'architettura e dell'arredamento.

Approfondite ricerche su materiali e recenti tecnologie hanno permesso alla Collezione TAI-LOR® di vestire i propri Pannelli Innovativi, attraverso nuovi rivestimenti in microfibre UV Lux®, in grado di donare superfici vellutate e morbide al tatto. I Pannelli della Collezione TAI-LOR® sono destinati a comparti, che interessano il Mercato Contract:

- Hotel e Hospitality;
- Aeroporti e Stazioni;
- Spazi Commerciali: Ristoranti, Bar, Negozi e Centri Commerciali;
- Business: Uffici e Banche;
- Edifici Pubblici come Teatri, Musei ed Università;
- Settore Navale;
- Ospedaliero;
- e naturalmente Edifici Residenziali.

La Collezione TAI-LOR®, seguita dalla direzione artistica dell'Architetto Alessia Galimberti, è in grado di confezionare anche prodotti Custom Made assecondando le esigenze dei clienti attraverso una vasta gamma di finiture e texture.

I Pannelli Decorativi della Collezione TAI-LOR® possono essere declinati in differenti modalità:

- Pannelli Decorativi per Sistemi Modulari;
- Pannelli Decorativi per Pareti Divisorie;
- Pannelli Decorativi Fonoassorbenti, (Soffitto e Pareti);
- Ante per Mobili;
- Top per Tavoli e Coffee Table.

I Pannelli TAI-LOR® hanno diverse peculiarità:

- Potere Coibentante ed Insonorizzante;
- Elevata Resistenza al Fuoco;
- Elevata Resistenza Meccanica;
- Ottima Resistenza ai Raggi Ultravioletti;
- Ottimo Grado di Lavabilità.

'The law of luxury is not
to add, but to take away'.

G. Armani

'The first rule of decoration
is that you can break
almost all of the rules'.

B. Baldwin

TAI-LOR® is a New Collection of Panels with an original design, produced by the company Promau Engineering, aimed at the architecture and furniture sector.

In-depth research on materials and recent technologies have allowed the TAI-LOR® Collection to dress its Innovative Panels, through new coatings in UV Lux® microfibers, capable of giving surfaces velvety and soft to the touch. The panels of the TAI-LOR® Collection are intended for sectors that affect the Contract Market:

- Hotel and Hospitality;
- Airports and Stations;
- Commercial Spaces: Restaurants, Bars, Shops and Shopping Centers;
- Business: Offices and Banks;
- Public Buildings such as Theaters, Museums and Universities;
- Naval sector;
- Hospital;
- And of course Residential Buildings.

The TAI-LOR® Collection, followed by the artistic direction of the Architect Alessia Galimberti, is also able to package Custom Made products satisfying the needs of customers through a wide range of finishes and textures.

The Decorative Panels of the TAI-LOR® Collection can be declined in different ways:

- Decorative Panels for Modular Systems;
- Decorative Panels for Partition Walls;
- Decorative Sound-Absorbing Panels (Ceiling and Walls);
- Furniture doors;
- Top for Tables and Coffee Tables.

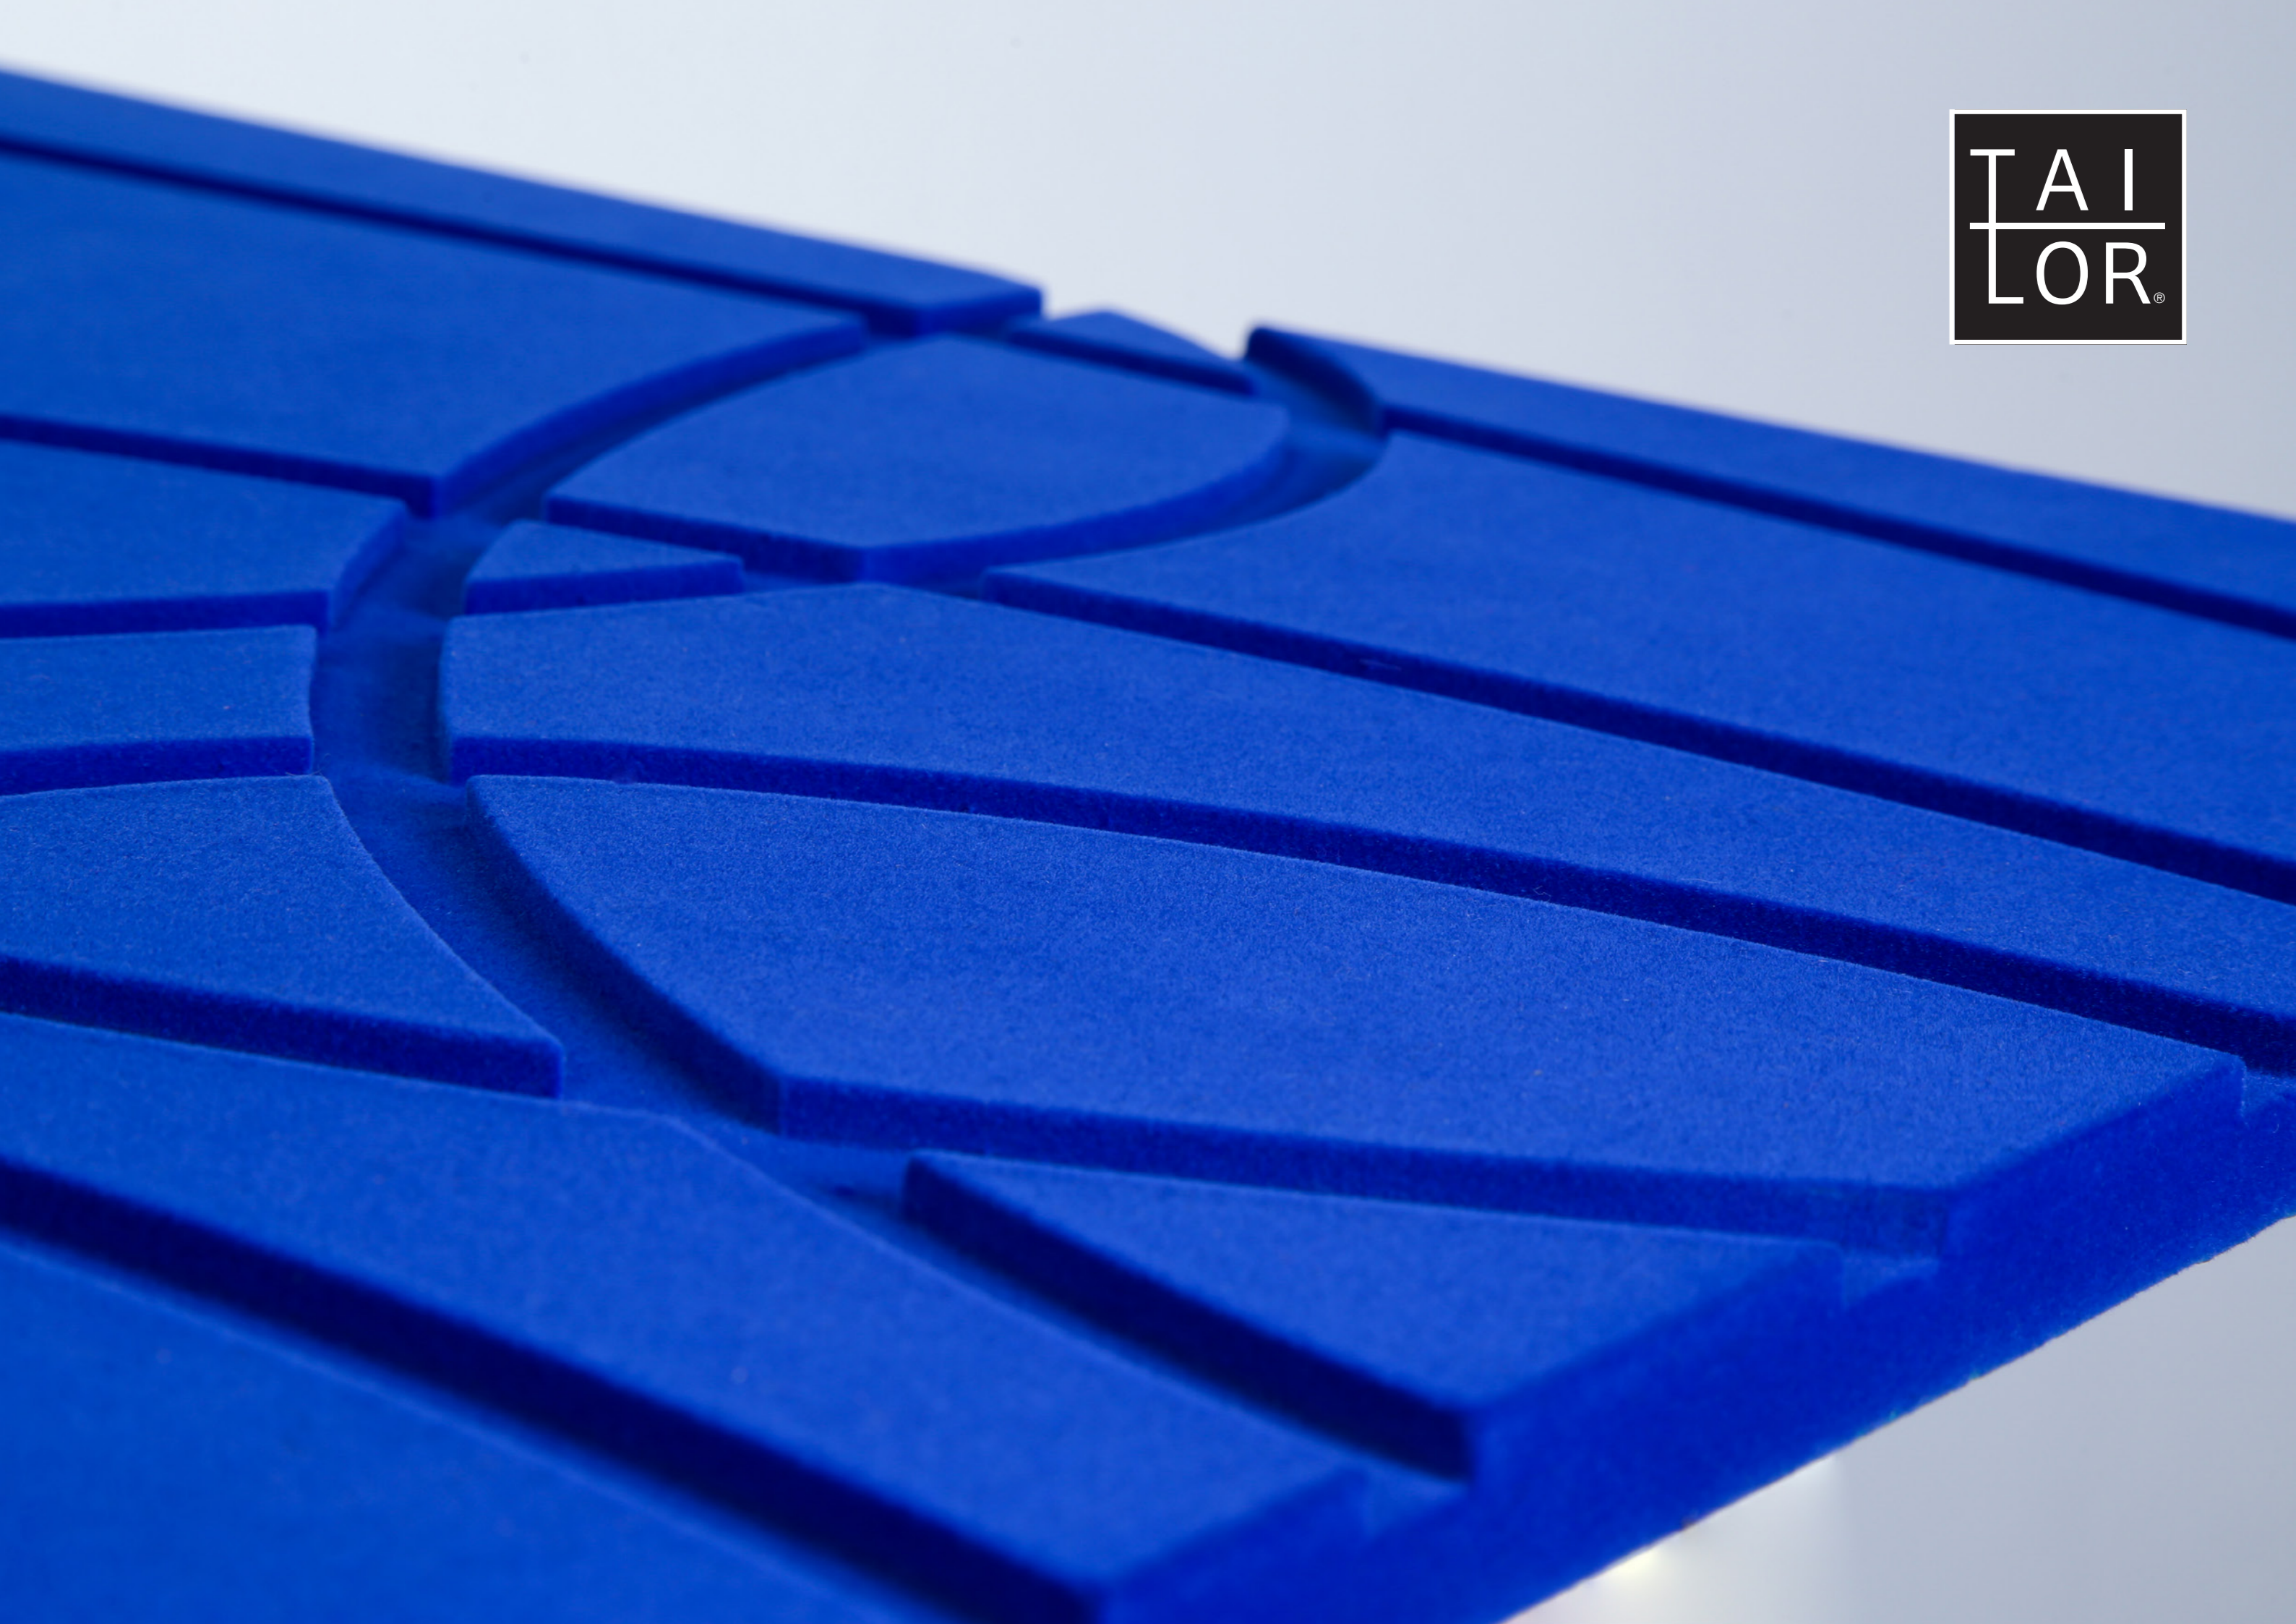

TAI-LOR® Panels have several peculiarities:

- Insulating and Soundproofing Power;
- High Fire Resistance;
- High Mechanical Resistance;
- Excellent Resistance to Ultraviolet Rays;
- Excellent Degree of Washability.

'Fashion passes,
style remains'.
